

## How can I find out who has registered for an event?

1. Log in to our web site <https://probusbythebay.ca/> by clicking on the little blue person at the top right-hand corner. Problems logging in? See **FAQ and Help** located on the banner for instructions.
2. Once you are logged into your account, click **Events** in the banner and you will see the various events.
3. Each event will provide the following:

When	Tue, December 05, 2023 12:00 PM
Location	OslerBrook Golf and Country Club
Spaces left	6
Registered	<a href="#">98 registrants</a>

[REGISTER](#)

If you want to see who has registered click where it says “**98 registrants**”. It may not show all of the registrants because in part of the registering process the Member has the option to have her name not listed as a registrant.
